Subject: WRFU Club Sevens Qualifiers

Please be advised that the West RFU is pleased to announce that the following sides will be advancing to the USA National Club Sevens Championships in the following order:

1. Denver Barbarians = 16 points
2. Fort Worth Elite "Black" = 10 points
3. Fort Worth Elite "Grey" = 6 points

Mike Harvey (both Elite squads) and Howard Kent (Barbos) are the primary contacts for the two Clubs comprising the three sides.

Kristin / Kim, please forward to the appropriate parties at USA Rugby. Additionally, we will need to discuss the ramifications of having two sides from one club qualifying.

We need to see what Roster restrictions you may have for the two sides. The WRFU employed a strict 10 man roster for all teams with multiple sides entering qualifying events. Additionally, I have the rosters from all of our three qualifying tourneys. Please advise accordingly so the Elite squad can make selections in a timely manner.

Regards and please copy me on all correspondence.
